

Transylvania County Extension Intern

Location: Transylvania County

Program Area: 4-H Youth Development, Agriculture and Natural Resources, Family and Consumer Sciences

Immediate/Site Supervisor: Addison Bradley

Other Mentors and Supervisors: Sarah Holden, Bart Renner, Erin Massey

Position Description/ Responsibilities:

This internship will be an all-encompassing Cooperative Extension internship. The day-to-day activities will vary depending on the program the intern is assisting with.

Generally, responsibilities will include preparing for, delivering, and assessing Extension educational events. The intern may also be asked to assist with administrative duties as needed (but in a limited capacity). The intern will assist with 4-H Summer Fun programming which will include working closely with children and youth. Responsibilities will also include assisting the Family and Consumer Science agent in nutrition and health-based programming which will be offered to audiences of all ages.

Intern will work with the agriculture agents in the county as needed, but will primarily work with 4-H and F.C.S.

Preferred qualifications/ Previous coursework:

- Extension programming
- Youth development
- Health and nutrition

Benefits/skills student will gain through this internship:

- Ability to plan, prepare, and deliver an educational presentation.
- Opportunity to assist with youth development through the 4-H program.
- Knowledge regarding health and nutrition.
- Opportunity to participate in farm visits.
